Meu amadíssimo Gil,

Estou muito feliz de saber que sua saúde está boa e que seus amigos estão ficando perto de você lhe dando apoio realmente e não só espiritualmente.

Quando a gente mora no mesmo país é bom poder se reunir quando for necessário e também porque é sabroso estar na companhia de quem quizer. It's like a breath of fresh air, I'm sure you know what I mean!!!

My very beautiful musician, I think of you often and can't wait to see you because my physical attraction to you is very much alive with me as I write to you and I feel that need to have my arms around you while I'm sitting on your knee (I like that you see) I think it's a beautiful intimacy to have with a man, personally...

Frankly I have run out of things to say because basically I'm feelin' better and things are going more or less OK. But I still have patience as I know that nobody can come to my rescue immediately as it could have happened already once upon a long ago!

I want to be your love very much as I have an immense amount of affection in

your regards which leads me to see your face  
in my mind and I've always seen beauty  
in it and nothing else because I desire you  
and therefore your happiness most of all!

Um beijo muito grande pra você minha  
amiga do coração, I want yours too but  
I feel not too good still to be honest  
as you cannot really express to me what  
you want in your sexy life ♡. Teo amor Gil ♡

Claro que vou apenas ficar pessoalmente  
perto de te, mmh. Na pista escura ♪  
Porque sabe, quando me dei uma olhada  
no espelho de noite, mientras estaba  
aconteciendo muito banho, tive uma luz  
vermelha e eu senti amor, well I started to  
recognize myself a bit...

Please say hello to Alvaro Reis for me  
in the good way when you see him 'cause  
I'm deep in harmony with him and  
estoy le replicando muchas cosas lindas y  
sofisticadas a lo incognito de todo el mundo  
que me circui (Gracias a Dios)!

Como está meu amor Caetano? Não vou  
precisar de saber muito porque ele está muito  
presente comigo e evidentemente a gente  
está adorando sua musica em versão  
alternativa! Wow. Tu me plaitis parceque tu  
ne dis pas de bêtises mais surtout il le sait  
et il adore l'entendre aussi, il n'est pas  
tout seul mais il a besoin de sa chérie Cecilia!

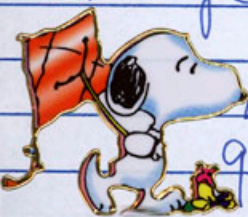

Estou adorando a tua musica Gil quando ouvir no radio, as vezes em varios lugares a onde passeio durante o fim de semana, e tiro muita onda com "Indigo Blue" porque essa cor está muito nos meus olhos a obra a olê, você já viu?

But that song gives me the onda all over my body and so do you when you're next to me I know that for sure, yeah?

Anyway my love, I hope you feel alright and try to rest as much as you can especially when you can't do things because you will build up that thing we know we've both got ok darlin'?! Please believe me, I'll never do you no harm, believe me when I tell you, I'll never do you no harm! ☺

If there's anything you think I should know for any reason, just please tell William won't you 'cause he's real ligado at the moment with me, ok? Don't worry about las aparências feias que a gente tem que subir ok?

Eu te amo, e sou linda, neais que você poder acreditar, tá bém?

Teu amor Cecília  
My eyes are blue, my heart is true  
my disposition is not yet at it's best  
but I'm just doin' by best what is  
most worthy at request that is by far  
the best in the person and guess?
