

DINDI

(Aloysio Oliveira/Ray Gilbert/A.C. Jobim)

Sky so fast is the sky
With far away clouds just wandering by
Where do they go
Oh I don't know, don't know
When that speaks to the leaves
Telling stories that no one believes
Stories of love belong to you and me
Oh Dindi
I only had words I would say
All the beautiful things that I see
When you with me
Oh my Dindi, oh Dindi
Like the song of the wind in the trees
That's all my heart is singing
Dindi, happy Dindi
When you with me
I love you more each day
Yes, I do, yes I do
I'd let you go away if you take me with you
Don't you know Dindi
I'll be running and searching for you
Like a river that can't find the sea
That would be me
Without you Dindi
