noite night

Foi o mar, eu sei que a lua fez pensar

Que você lembre

And you walk with me on the sand

By a moon-light sea

Foi a noite

It was night
Foi a noite  It was night

warm after-glow of the wine
I believed you would always be mine
It was

sao night And a comet fell Such a night How could I foretell just how

soon And lightly you forget it And how long And sadly I'd repeat

Foi a noite It was night And for me, alas It was love at Coda θ
It was night

It was night
