

## Love, A Smile, and a Flower

LETRA NÃO USADA

He who cannot cease  
Seeking love in a smile and a flower  
Is Victim of his dreams,  
Never finding peace,  
Because love and a smile and a flower  
Always change, being not what they seem.

He who starts to brood  
On the tragic and terrible truth  
That all in time is lost,  
Must, in solitude,  
Find a new way, a new kind of truth,  
Or else pay some unbearable cost.

He whose bitter tears  
Continue till they wash away his fears;

He who then returns  
To his love with a smile and a flower  
Will soon discover all;  
He whose spirit learns  
Of the meaning of love and a flower  
Never sorrows again.
