

# Version de Robert Sodin

- 1 - From Japan I want a camera that can film my summer dreams
- 2 ~~the~~ and make a movie of my secret life.
- 3 I'll leave my body <sup>in</sup> astral crystal rain
- 4 - ~~and~~ take a picture of my heart at night
- 5 - I want a magnetic focus on my mind
- 6 - and make an album of the thoughts that I deserve to find.
- 7 - All those illusions that depend on lies

8 - And all the beauty when  
we dream in vain.

---

9 - From Japan I want a carriage  
and a super train

10 - That travels faster than the  
speed of light.

11 - A new computer that can  
take away my pain.

12 - And play me reggae when  
it's feeling right.

12 - I want to meditate inside  
the Temple doors.

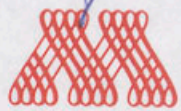

13 - Talk to samurai about  
the past and future wars

14 - They'll tell me how to find  
the rising sun

15 - I will see the prototype of  
future love

- 16 - From Japan I want a Gheister  
that can change my attitude.
- 17 - show me desires that I  
never knew
- 18 - ~~will~~ take a plane to a  
forbidden altitude.
- 19 - without a pilot knowing  
what to do
- 20 - who'll go to live together  
in another world.
- 21 - not the third world, not the  
fourth world, not the seventh world.
- 22 - To where the ruler ~~x~~ is ancient  
bird
- 23 - The royal feathers our holy  
word.
