

Luciana

Music: Antonio Carlos Jobim

Lyrics: Gene Lees

The stars as they shine,
Luciana,
Insist you are mine,
Luciana.
Still you resist,
Luciana.
Why should you be
So timid with me?

Be still in my arms,
Luciana.
As long as I'm here,
You have nothing to fear.
What's done is done;
Love has begun.
We are one,
Luciana.
