

Lyrics by  
Ray Gilbert

She's the one I love  
 I'm the one she loves  
 Together we ~~have~~ ~~live~~  
 She wants no one but me  
 The day that I had found the peace  
 in her eyes  
 And  
 The

Together we will live  
 She's

and ~~from~~ the one who tried  
 to find the light of her  
 eyes
